Afternoon Anthony,

Your colleague Sue Wills has asked I email you on this which relates to planning reference: 122897/FO/2019

The attached letter is incorrect in relation to Condition 5, as Sue decided to divide the condition into 2 parts because of how the condition was actually written.

We have already had the pre-commencement aspect discharged as per the attached therefore the recently submitted information is for part B which discharges the condition fully.

Could you please see to it that this is sorted as soon as possible please so that the application can be progressed.

Kind regards

Gareth
