

From Mark Stephenson, Principal Conservation Officer

To Ellouisa McGuckin,

Date 3 June 2021

Reference 21/01713/FULL

Subject Lower Maypole Cottage Maypole Lane Goudhurst Cranbrook

Proposal: Erection of a log store and potting shed and replacement doors to existing garage. (part retrospective)

Heritage Consultation Response

Application Address: Lower Maypole Cottage Maypole Lane Goudhurst Cranbrook
TN17 2QP

I have reviewed the application drawings and supporting documents

The proposal for reconfiguration of the existing garage doors will not have an impact of the setting of the listed building

The wood shed is of such a size as to have no impact on the setting of the listed building

The proposed potting shed is relatively small but of substantial construction and of a style that might be called ecclesiastical or gothic in nature. While I am not aware that there is any other structure on the site that would mirror this form or style, it is unlikely that the little structure would have an impact on the setting of the listed building and will perhaps appear like a small folly and as such provide interest to the setting.

I hope that this is of assistance

Mark Stephenson,
Principal Conservation Officer
