This drawing must not be scaled. Figured dimensions and levels to be used. Any inaccuracies must be notified to the architect. Detail drawings and large scale drawings take precedence over smaller drawings. A0	
Rev:	Issued for PAC
A	The number of units decreased by 6 due to a size reduction of the building for a better integration with the north buildings. Fenestration of the core. Refining the ground floor windows. Wall cavity increased by 50mm.
B	Updated Bin Stores. Added Generator room. The west wing elongated 300mm.
C	Updated in line with landscape proposal. 240.05.21 ML
