Dear Sirs

Re: Planning Application – Burrow Cottage, Upottery, EX149QT

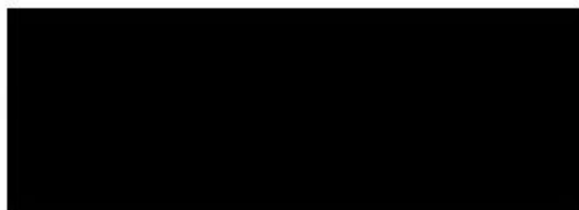

I write with regard to the above planning application.

My clients are proposing to erect an agricultural livestock building. This building is for agricultural purposes.

The proposed building is to support the requirement for calf housing for the growing agricultural business.

I trust the above is in order and if I can be of any further assistance please do not hesitate to contact me.

Yours faithfully

Toby J Bateman BSc(Hons) MRICS FAAV
