

**1 Stableyard Elevation 6 (SE6) Proposed**  
2102 1 : 100

**2 Stableyard Elevation 7 (SE7) Proposed**  
2102 1 : 100

Formerly historic stable entrances, currently infilled with 20th century windows and brickwork to be carefully removed. Historic openings re-instated with new traditional stable doors and blank stable doors boarded internally.

Current hayloft openings retained and infilled with timber 'egress' windows. Windows to feature timber shutters to the exterior. 3 on elevation.

Boiler flues to exit via wall rather than roof. Allow for installation of cast iron ventilation to internal gas cupboards.

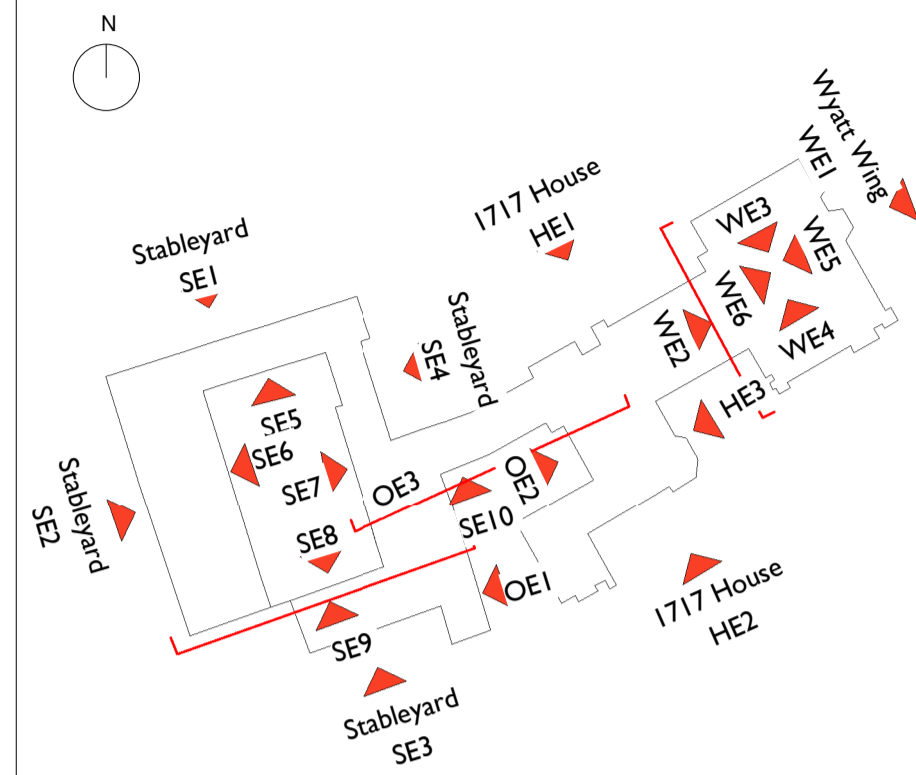

**Notes:**  
Drawings are based on survey data and may not accurately represent what is physically present.

Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work.

All dimensions are in millimeters unless noted otherwise.

Purcell shall be notified in writing of any discrepancies.

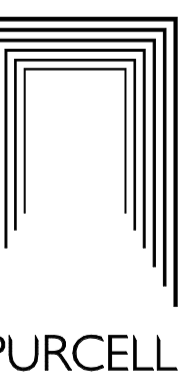

**Key Plan**  
not to scale
