Dear Mr J lynch  
Please find further details as requested.

1. Site location plan.
2. Photographs of fence.
3. Construction details: The fence was erected by Hawkesbridge Fencing Co who are local authority approved and built to motorway standard with 30 year guarantee,  
It is 22m in length, between 1.8/1.9mm in height depending on the undulations in the pavement.  
It is constructed with the following materials....feather edge boards fixed to 100mm x 50mm arris rails fixed to 150mm x 125mm posts which are concreted 1m into the ground,  
all topped with 100mm x 50 mm capping.

Yours sincerely,

Paul Homer.
