

Planning application W/21/0721 - erection of three detached dwellings; and associated alterations and single-storey extension to Brook Farm House, Brook Farm, Myton Road, Warwick, CV34 6SB

Air Quality Mitigation Statement

The application proposes 2 x Electric Vehicle Charging Points per dwelling, so ensuring that the new owners have ready access to clean forms of transport.

The EV charging points are shown within Revision A of the submitted site plan and their provision can also be conditioned as part any consent.
