Email: parishclerkdbpc@gmail.com

On Behalf Of: Drayton Bassett Parish Council

Comments

Drayton Bassett Parish Council object to this application. It is not in keeping with other gates/fences etc in that location, it is too obtrusive to the open plan nature of surrounding gardens, at 1.8m that close to the road.

Also the impact on mature trees needs to be considered.

Another point that I would like make is the lack of footpath in Drayton Lane, gardens at this moment extend beyond hedgerows, which may or may not be their boundary, if the fence is that close to the road it will reduce the margin of safety that pedestrians enjoy at this moment.
