4. Description of Proposed Works

Please describe the proposed works:

We would like to have a single storey side extension built at our property. The previous owners built a rear extension to the kitchen. We would like the side extension to run along the kitchen extension and part way along the original house. We envisage the side extension would be 5m 40cm by 2m 30cm, with a pitched roof that would integrate into the existing kitchen extension roof. There would be Velux windows in the pitched roof.

Has the work already been started without consent?

Details of the pre-application advice received

We raised an enquiry through City of Wolverhampton Council website about permitted development and Charlotte Morrison responded to outline the parameters. We requested clarification with regard to the original rear wall and the rear wall of the kitchen extension. As well as clarification concerning the
