

During the current national lockdown, we want to reassure our customers that in compliance with government guidelines Garador is still open for business with excellent levels of stock and regular deliveries.

## Steel Panel: Georgian

Jet Black (RAL 9005)

Browse Colours & Finishes:

### Georgian

The Georgian is a panelled steel up & over garage door with strong durability and endless kerbside appeal. The precision engineered design delivers strong, crisp and elegant panel pressings that stand head and shoulders above other panelled garage doors on today's market place.

Price from: £872.00 excl. VAT
