# 12. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The existing facade does not provide any contribution to the conservation area and is of poor architectural quality. There are no openable windows on the facade without any opportunity for natural ventilation and the glazing has poor thermal performance.

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

Land where contamination is suspected for all or part of the site

A proposed use that would be particularly vulnerable to the presence of contamination

# 14. Existing and Proposed Uses

Please add details of the Gross Internal Area (GIA) for all current uses and how this will change based on the proposed development. Details of the floor area for any proposed new uses should also be added.

Following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these, select 'Other' and specify the use where prompted. View further information on Use Classes. Multiple 'Other' options can be added to cover each individual use. If the 'Other' option is not displayed, please contact our service desk to resolve this.
