Hi Sophia

Don't worry about the schedule of works in this instance. I propose the following proposal description:

LB

Application for listed building consent - a. single storey entrance porch to rear elevation and associated alterations b. sunken terrace c. removal of external door and replacement with glazed screen d. blocking up of existing doorway into main living room and reinstatement of original opening

HH

Householder planning application - a. single storey entrance porch to rear elevation b. sunken terrace

Also, the DAS refers to a Heritage Appraisal by Barry Hillman-Crouch, but it's not in the file.

Many thanks
