

## **Replacement Flag for two weeks: 4<sup>th</sup> to 18<sup>th</sup> September 2021**

Queen's College London request temporary permission to change the flag located on the front of the College buildings at 43-49 Harley Street. The flagpole is positioned above the portico astride 43/45 Harley Street.

For June 2020 you allowed this – 20/00513/ADV – and we ask to be allowed to change the flag to the Pride colours in line with the London celebration of gay Pride centred on 11<sup>th</sup> September 2021. We request to allow the dates of a week either side of that Saturday to display the flag for this limited period.

Queen's College is an independent day school for girls between the ages of 11 and 18 and Pride represents students within the LGBT community.

The school's Senior Management and School Council universally agreed that they would like to change the flag to the Pride colour scheme during the month of Pride 2022.

Please see attached picture of our flag and drawing 1680 A3 05 revision A as approved previously.

The Pride flag would be the same dimensions as the existing flag.

14<sup>th</sup> June 2021
