Enquiry subject:: Tree branch on the premises

Provide enquiry details:: Hello. We are Classical Gas at No. 78 New Village Rd. Cottingham. (couldn't select the correct name/ address from the drop down list). We have a fence which needs attention, mainly due to the fact that a tree branch is pressing down on the fence and pushing it outwards. The neighbour is complaining that the fence pushing outwards is narrowing the driveway through to his house. We believe we are within the boundary of a conservation area and need permission to lop any branches. Could you confirm please if we are allowed to do this in order to repair the fence? Thank you -
