Subject: Re: Invalid Planning Application Ref. PF/21/1499

Dear Planning Processing Unit,

Thank you for your letter dated 11th June 2021. Please refer to the site plan drawing reference 2021-001-0110, which shows that the extension is within the applicants boundary, we confirm that there will be no encroachment to the neighbouring property from foundations or rainwater goods.

I trust the application can now be validated.

Kind Regards

Chris Soman
