Dear Sir/Madam

Further to your letter of 15.06.21 please find attached additional information as requested:

1. Location Plan
2. Block Plan
3. Dimensioned plans and elevations, including garage

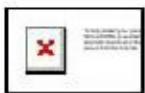

We are happy for the description of the application to be amended as per your letter.

In addition, we would like to point out that the reason for demolition and rebuild of the existing bungalow is due to the fact that, after works commenced on site it was apparent that to retain the existing structure would not be economically viable, such were the extent of repairs and alterations required to facilitate the addition of the first floor accommodation.

Should you require any further information please do not hesitate to get in touch.

Regards

Russ Hall
