Dear Sir

Thank you for Reference B. Attached is the information that you require concerning the oak tree.

We wish to make a joint application to have the oak tree trimmed.

The tree was last trimmed in 2015. We request permission to cut the tree back by one third..

A visit from the tree preservation would be welcome.

The tree is in great need of a good reshape and trim. As like all UK oak trees the oak tree is suffering from a number of tree diseases..

Many thanks

DAVID KERRIDGE
