Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

Town and Country Planning Act 1990

You can complete and submit this form electronically via the Planning Portal by visiting www.planningportal.gov.uk/apply

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

ease complete using block capitals and black ink.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). (You may also use it to give notice of works to trees in a conservation area).

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application / notice cannot proceed.

1. Applicant	Name and Address		2. Agent	Name an	d Address	
Title:	First name:		Title:	Me	First name:	STU ARET

5. What Are You Applying For?	6. Tree Preservation Order Details
	If you know which TPO protects the tree(s), enter its title or number below.
Are you seeking consent for works to tree(s) Yes No subject to a TPO?	
Are you wishing to carry out works to tree(s)	
in a conservation area? Yes No	
(7. Identification Of Tracks) and Dentification Of the	
 Identification Of Tree(s) And Description Of Works Please identify the tree(s) and provide a full and clear specification or 	the works you want to carry out. Continue on a separate sheet if
necessary. You might find it useful to contact an arborist (tree surge	on) for help with defining appropriate work. Where trees are
protected by a TPO, please number them as shown in the First Schel your sketch plan (see guidance notes).	
Please provide the following information below: tree species (and the trees are protected by a TPO you must also provide reasons for the vices are provided the following information below:	he number used on the sketch plan) and description of works. Where work and, where trees are being felled, please give your proposals for
planting replacement trees (including quantity, species, position and	d size) or reasons for not wanting to replant.
E.g. Oak (T3) - fell because of excessive shading and low amenity value.	Replant with 1 standard ash in the same place.
I NUMBER TREE - REMOVE LOW LEY	EL (GROUND) SO BUTING
