## Description of Proposal

Please describe accurately the work proposed: \* (Max 500 characters)

Proposed new paintwork colours to front elevation facing Eglinton Street - South Elevation, proposed new metalwork colour to side gate facing Eglinton Street and rainwater goods on North and East elevations (rear and side respectively). Proposed new windows and doors to outbuilding together with external deck area to rear garden. Some works to outhouse have progressed under previous planning, listed building and building warrant consents.

Has the work already been started and/ or completed? \*

No  Yes - Started  Yes - Completed

Please state date of completion, or if not completed, the start date (dd/mm/yyyy): \*

07/09/2020

Please explain why work has taken place in advance of making this application: \*  
(Max 500 characters)

Both repair and upgrade works have progressed to the outhouse building in accordance with previous planning, listed building and building warrant consents. The works have stopped due to being unable to complete door and window installations as proposed because of supply issues - COVID and BREXIT related. Unfortunately due to a change of circumstances I am not now proposing going ahead with the previously proposed rear extension to the main house.
