

For clarity, the dashed orange line represents the residential curtilage of the host dwelling as set out in the plotting sheet of 1955 - whilst the curtilage has since grown, it is this area that must be considered for the erection of a detached outbuilding under Class E Permitted Development.
 (1955 residential curtilage = 4655sqm)

0 50m
 Scale: 1:1250 @ A3
