

Hello Lisa
Thank you for your email ,I am sure I included a sketch plan ,I attach what I sent.
The tree is approx 12M high ,as I stated the tree had grown lopsided ,resulting in the spread over our garden to 4.5M
,the public footpath at 4.0M there is virtually nothing on the south west side.
I attach a photo showing our house and the Yew tree.
Kind regards

Alan Webb
