Reference: Fir Cottage, Glenmosston Road, Kilmacolm, PA13 4PF

Further to my visit to inspect five trees, please find my recommendations below.
Please note the inspection was visual from ground level only on a dry day.

T1 – T4 Large Spruce Trees at front of property, now showing sign of root heave.
Due to the trees overhanging close to the building, removal is recommended.

Please find application and plans enclosed.

Kind regards
Andrew Smith
