Application No : DC/19/03203/FULL1  
Date : 8th November 2019

**TOWN AND COUNTRY PLANNING ACT 1990  
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT  
PROCEDURE) (ENGLAND) ORDER 2015**

**NOTIFICATION OF GRANT OF PLANNING PERMISSION**

Take notice that the Council of the London Borough of Bromley, in exercise of its powers as local planning authority under the above Act, has **GRANTED** planning permission for the development, referred to in your application received on 23rd July 2019.

at : 69 - 71 Church Road Anerley London SE19 2TA

Proposal: The demolition of the existing building and erection of a part 4 and 5 storey building with additional part lower ground floor comprising two 1 bedroom, three 2 bedroom two 3 bedroom flats and provision of commercial retail unit at ground floor. Provision of external amenity space.

Subject to the following conditions **and for the reasons set out below**:-

1. The development to which this permission relates must be begun not later than the expiration of 3 years, beginning with the date of this decision notice.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990

2. The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans approved under this planning permission unless previously agreed in writing by the Local Planning Authority.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interests of visual and residential amenity.

3. (a) Prior to commencement of the development hereby approved (excluding any ground clearance or demolition) a scheme for the provision of surface water drainage shall be submitted and approved in writing by the local planning authority.

(b) Before the details required to satisfy Part (a) are submitted an assessment shall be carried out of the potential for disposing of surface water by means of a sustainable drainage system (SuDS) to ground, watercourse or sewer in accordance with drainage hierarchy contained within the London Plan Policy 5.13 and the advice contained within the National SuDS Standards.

(c) Where a sustainable drainage scheme is to be provided, the submitted details shall:

i. provide information about the design storm period and intensity, the method employed to delay (attenuate) and control the rate of surface water discharged from the site as close to greenfield runoff rates (8l/s/ha) as reasonably practicable and the measures taken to prevent pollution of the receiving groundwater and/or surface water

(d) The drainage scheme approved under Parts a, b and c shall be implemented in full prior to first occupation of the development hereby approved

Reason: Details are required prior to the commencement of any new operational development in order to ensure that a satisfactory means of surface water drainage, to reduce the risk of flooding can be achieved before development intensifies on site and to comply with the Policy 5.13 of the London Plan and Policies 115, 116 and 117 of the Bromley Local Plan

4. No development shall commence on site (including demolition) until such time as a Construction and Environmental Management Plan has been submitted to and approved in writing by the local planning authority. As a minimum the plan shall cover:

(a) Dust mitigation and management measures.

(b) The location and operation of plant and wheel washing facilities

(c) Measure to reduce demolition and construction noise

(d) Details of construction traffic movements including cumulative impacts which shall demonstrate the following:-

(i) Rationalise travel and traffic routes to and from the site as well as within the site.

(ii) Provide full details of the number and time of construction vehicle trips to the site with the intention and aim of reducing the impact of construction related activity.

(iii) Measures to deal with safe pedestrian movement.

(iv) Full contact details of the site and project manager responsible for day-to-day management of the works

(v) Parking for operatives during construction period

(vi) A swept path drawings for any tight manoeuvres on vehicle routes to and from the site including proposed access and egress arrangements at the site boundary.

(e) Hours of operation

(f) Other site specific Highways and Environmental Protection issues as requested on a case by case basis

(g) The development shall be undertaken in full accordance with the details approved under Parts a-f

Reason: Required prior to commencement of development to ensure sufficient measures can be secured throughout the whole build programme in the interests of pedestrian and vehicular safety and the amenities of the area. In order to comply with Policies 30, 31, 32 and 119 of the Bromley Local Plan of the Unitary Development Plan and in the interest of the amenities of the adjacent properties.

5. Prior to commencement of development (excluding demolition) details of the proposed slab levels of the building(s) and the existing site levels shall be submitted to and approved in writing by the

Local Planning Authority . The development shall be completed strictly in accordance with the approved levels.

Reason: Required prior to commencement in order to ensure that a satisfactory form of development can be undertaken on the site in the interest of visual amenity and to comply with Policy 37 of the Bromley Local Plan

6. The demolition of the existing building hereby permitted shall not be undertaken before a contract for the carrying out of the works of redevelopment of the site under the planning permission hereby granted, has been made for the redevelopment for which the contract provides.

Reason: Required prior to commencement of development and in order to comply with Policy 41 of the Bromley Local Plan and to prevent premature demolition of the building which would be unacceptable.

7. i) Prior to commencement of above ground works details of treatment of all parts on the site not covered by buildings shall be submitted to and approved in writing by the Local Planning Authority. The site shall be landscaped strictly in accordance with the approved details in the first planting season after completion or first occupation of the development, whichever is the sooner. Details shall include:

1. A scaled plan showing all existing vegetation to be retained and trees and plants to be planted which shall include use of a minimum of 30% native plant species of home grown stock (where possible) and no invasive species

2. Proposed hardstanding and boundary treatment

3. A schedule detailing sizes and numbers of all proposed trees/plants

4. Sufficient specification to endure successful establishment and survival of new planting.

(ii) There shall be no excavation or raising or lowering of levels within the prescribed root protection area of retained trees unless agreed in writing by the Local Planning Authority.

(iii) Any new tree(s) that die(s), are/is removed or become(s) severely damaged or diseased shall be replaced and any new planting (other than trees) which dies, is removed, becomes severely damaged or diseased within five years of planting shall be replaced. Unless further specific permission has been given by the Local Planning Authority, replacement planting shall be in accordance with the approved details

Reason: In order to comply with Policies 37, 73 and 74 of the Bromley Local Plan to secure a visually satisfactory setting for the development and to protect neighbouring amenity.

8. (a) Prior to commencement of above ground works, details (including samples) of the materials to be used for the external surfaces of the building which shall include roof cladding, wall facing materials and cladding, window glass, door and window frames, decorative features, rainwater goods and paving where appropriate shall be submitted to and approved in writing by the Local Planning Authority.

(b) The development shall be carried out in accordance with the approved details.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the appearance of the building and the visual amenities of the area

9. (a) Prior to construction of above ground works details shall be submitted to and approved in writing by the Local Planning Authority showing full details for the establishment of a car club to serve the development.

(b) The approved arrangements for the car club shall be in operation before first occupation of any part of the development and shall be permanently retained thereafter.

Reason: To limit car ownership use and encourage sustainable modes of transport in accordance with Policy 6.13 of the London Plan and Policy 31 of the Bromley Local Plan

10. (i) The ceilings and walls between the ground floor retail unit and the upper floors of the premises and the adjacent properties shall be so adapted as to achieve a reasonable resistance to airborne sound and heat transference as far as is practical having regard to existing construction in accordance with details to be submitted to and approved in writing by the Local Planning Authority prior to construction of above ground works.

(ii) The development shall be constructed in full accordance with details approved under part (i) before the use hereby permitted commences and shall be permanently retained thereafter.

Reason: In order to comply with Policies 37 and 119 of the Bromley Local Plan and to ensure a satisfactory standard of amenity for adjacent properties

11. Details of the means of privacy screening for the upper level external terrace shall be submitted to and approved in writing by the Local Planning Authority before any above ground construction is commenced. The development shall be carried out in accordance with the approved details prior to the balcony being brought into use and permanently retained as such.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the appearance of the building and the visual amenities of the area.

12. (a) Details of a scheme to light the access drive and undercroft area hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of above ground works.

(b) The approved scheme shall be self-certified to accord with BS 5489 - 1:2003

(c) The lighting scheme as shall be implemented in full accordance with details submitted under Part (a) before the development is first occupied and the lighting shall be permanently retained thereafter.

Reason: In order to comply with Policies 30 and 37 of the Bromley Plan in the interest of visual amenity and the safety of occupiers of and visitors to the development.

13. (a) Notwithstanding the details hereby approved, no above ground works shall commence until detailed plans at a scale of 1:20 showing the shopfront indicated on drawing G686 1105 Rev A has been submitted to and approved in writing by the local planning authority.

(b) The development shall be carried out in accordance with the approved details.

Reason: In order that the local planning authority may be satisfied as to the detailed treatment of the proposal and to comply with Policy 37 and 41 of the Bromley Local Plan.

14. (a) Details of arrangements for bicycle parking for 12 cycle spaces to be accommodated in the internal storage room shall be submitted to and approved in writing by the Local Planning Authority prior to construction of any above ground works

(b) The arrangements as approved under part (a) shall be completed before any part of the development hereby permitted is first occupied, and permanently retained thereafter.

Reason: In order to comply with Policy 6.9 of the London Plan and in order to provide adequate bicycle parking facilities at the site in the interest of reducing reliance on private car transport.

15. Before the development hereby permitted is occupied arrangements shall be agreed in writing with the Local Planning Authority and be put in place to ensure that, with the exception of

disabled persons, no resident of the development shall obtain a resident's parking permit within any controlled parking zone which may be in force in the vicinity of the site at any time.

Reason: In order to comply with Policy 30 of the Bromley Local Plan and to avoid development without adequate parking or garage provision, which is likely to lead to parking inconvenient to other road users and would be detrimental to amenities and prejudicial to road safety.

16. No plumbing, pipes or other services other than those shown on the approved drawings shall be located on the exterior of the building(s)

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the architectural interest of the building.

17. The arrangements for storage of refuse (which shall include provision for the storage and collection of recyclable materials) and the means of enclosure shown on the drawings hereby approved shall be completed before any part of the development hereby permitted is first occupied, and permanently retained thereafter.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in order to provide adequate refuse storage facilities in a location which is acceptable in respect of residential and visual amenity impact.

18. The development hereby permitted shall be built in accordance with the criteria set out in Building Regulations M4(2) 'accessible and adaptable dwellings' and shall be permanently retained thereafter

Reason: To comply with Policy 3.8 of the London Plan 2015 and the Mayors Housing Supplementary Planning Guidance 2016 and to ensure that the development provides a high standard of accommodation in the interests of the amenities of future occupants

19. No structure, plant, equipment or machinery shall be placed erected or installed on or above the roof or on external walls without the prior approval in writing by the Local Planning Authority.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the appearance of the building and the visual amenities of the area.

20. The flat roof areas of the building and flat roof indicated over the ground floor retail unit shall not be used as a balcony or sitting out area and there shall be no access to the roof area.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the amenities of the adjacent properties.

21. The application site is located within an Air Quality Management Area declared for NOx: In order to minimise the impact of the development on local air quality any gas boilers must meet a dry NOx emission rate of <40mg/kWh

Reasons: To minimise the effect of the development on local air quality within an Air Quality Management Area and to comply with Policy 120 of the Bromley Local Plan and 7.14 of the London Plan.

You are further informed that :

- 1 The applicant is advised that any works associated with the implementation of this permission (including the demolition of any existing buildings or structures) will constitute commencement of

development. Further, all pre commencement conditions attached to this permission must be discharged, by way of a written approval in the form of an application to the Planning Authority, before any such works of demolition take place.

- 2 You should consult the Street Naming and Numbering Section at the Civic Centre on 020 8313 4742 or e-mail: [address.management@bromley.gov.uk](mailto:address.management@bromley.gov.uk) regarding Street Naming and Numbering. Fees and application forms are available on the Council's website at [www.bromley.gov.uk](http://www.bromley.gov.uk)
- 3 You are advised that this application may be liable for the payment of the Mayoral Community Infrastructure Levy under the Community Infrastructure Levy Regulations (2010) and the Planning Act 2008. The London Borough of Bromley is the Collecting Authority for the Mayor and this Levy is payable on the commencement of development (defined in Part 2, para 7 of the Community Infrastructure Levy Regulations (2010)). It is the responsibility of the owner and /or person(s) who have a material interest in the relevant land to pay the Levy (defined under Part 2, para 4(2) of the Community Infrastructure Levy Regulations (2010)). If you fail to follow the payment procedure, the collecting authority may impose surcharges on this liability, take enforcement action, serve a stop notice to prohibit further development on the site and/or take action to recover the debt. Further information about Community Infrastructure Levy can be found on attached information note and the Bromley website [www.bromley.gov.uk/CIL](http://www.bromley.gov.uk/CIL)
- 4 Conditions imposed on this planning permission require compliance with Part M4 of the Building Regulations. The developer is required to notify Building Control or their Approved Inspector of the requirements of these conditions prior to the commencement of development.
- 5 If during the works on site any suspected contamination is encountered, Environmental Health should be contacted immediately. The contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Authority for approval in writing.

Signed:

A handwritten signature in black ink, appearing to be 'JA', with a long horizontal flourish extending to the right.

**Assistant Director (Planning)**

On behalf of the London Borough of Bromley Council

**YOUR ATTENTION IS DRAWN TO THE NOTES OVERLEAF**

The Local Planning Authority is actively seeking to reduce the need to impose conditions. Any pre-commencement conditions imposed on this planning permission are necessary to ensure that the detail of the development to which they relate is carried out in a satisfactory manner and the submission of the information in relation to this is required before commencement as it would not be possible or desirable for this to happen at a later stage in relation to the specific reasons for imposing each condition.

To assist applicants the Local Planning Authority has produced policies and written guidance, all of which is available on the Council's website at [www.bromley.gov.uk/planning](http://www.bromley.gov.uk/planning). Through the provision of a pre-application advice service the Local Planning Authority encourages early engagement to resolve problems that can occur in relation to dealing with a planning application by providing clear guidance as to how the aims of the development plan can be achieved in a sustainable and appropriate manner in accordance with paragraphs 188 - 190 of the National Planning Policy Framework 2012.

Please note that your development may be liable for Community Infrastructure Levy (CIL). For more information please visit [www.bromley.gov.uk/CIL](http://www.bromley.gov.uk/CIL)

**Approvals with or without conditions, or refusals of applications for planning permission under the Town and Country Planning Act 1990 and the Town and Country Planning (General Development Procedure) Order 2015 (as amended) and applications for Listed Building and Conservation Area Consent under the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)**

If you disagree with the decision of the Local Planning Authority (LPA) to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, you may appeal to The Planning Inspectorate (PINS). This is an independent Executive Agency which provides fair and impartial decisions on appeals against LPA decisions on planning consents in accordance with Section 78 of the Town and Country Planning Act 1990 and for Listed Building and Conservation Area consents in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Appeals must be made within 12 weeks of the Decision Notice date for householder planning applications and within 6 months for any other application. They must be submitted on a form, which is obtainable from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>. If an enforcement notice is or has been served relating to the same or substantially the same development as in your application, then the time limit to appeal will expire 28 days after the enforcement notice is served – except that you will have a minimum of 28 days to appeal after the right of appeal begins and the time limit will expire no later than it would if there were no enforcement notice.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority ([PlanningAppeals@bromley.gov.uk](mailto:PlanningAppeals@bromley.gov.uk)) and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. See <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries> for further details.

The Secretary of State (including PINS) is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the Statutory requirements, to the provisions of the development order, and to any directions given under the order.

If planning permission, listed building or conservation area consent to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State (including PINS) on appeal, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the London Borough of Bromley a purchase notice requiring that the Council purchase his interest in the land in accordance with the provisions of Part VI Chapter 1 of the Town and Country Planning Act 1990 or in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances, a claim may be made against the local planning authority for compensation, where permission or consent is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. These circumstances in which compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990 and in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

**Applications for Express Consent under the Town and Country Planning Act 1990 and the Town and Country Planning (Control of Advertisements) Regulations 2007**

If you disagree with the decision of the local planning authority to refuse consent for the display of an advertisement or to grant consent subject to conditions, you may by notice served within 8 weeks of the receipt of this notice, or such longer period as the Secretary of State may agree, appeal to the Planning Inspectorate in accordance with the provision of Part 3 Section 17 of The Town and Country Planning (Control of Advertisements) Regulations 2007. Forms are available from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>.

**Town and Country Planning Act 1990 (as amended). A Certificate of Lawfulness for an existing proposed use or development**

If you are aggrieved by a refusal to grant, a Certificate of Lawfulness, you may appeal to the Planning Inspectorate under Section 195 and 196 of the Town and Country Planning Act 1990 (as amended).

**AN IMPORTANT FOOTNOTE**

Permission or approval referred to overleaf is confined to permission under the Town and Country Planning Act 1990, Planning (Listed Buildings and Conservation Areas) Act 1990, the Town and Country Planning General Development Order 2015 as amended, and the Town and Country Planning (Control of Advertisements) Regulations 2007, and does not obviate the necessity of compliance with any other enactment, by law, or other provision whatsoever or of obtaining from the appropriate authority or authorities any permission, Building Regulation, consent, approval or authorisation which may be required.

You are reminded that the Borough Council's permission does not modify or affect any personal or restrictive covenants, easement, etc., applying to or affecting either this or any other land or the rights of any persons (including the London Borough of Bromley Council) entitled to the benefits thereof or holding an interest in the property concerned in this development or in any adjoining property.

## ACCESS FOR PEOPLE WITH DISABILITIES

Your attention is drawn to British Standard and Government advice concerning means of access for people with a disability. This advice applies to educational, recreational and retail premises as well as office, factories and business premises.

## RESPONSIBLE DISPOSAL OF CONSTRUCTION AND LANDSCAPING WASTE TO PREVENT FLY-TIPPING

When builders or landscape gardeners arrange for third parties to remove any waste from your property, it is their responsibility to use registered waste carriers and obtain waste transfer notes. If however you arrange for any construction or landscaping waste to be removed from your property yourself you could be prosecuted and fined up to £5,000 if you do not use someone who is a registered waste carrier. Find and check registered waste carriers online at [www.bromley.gov.uk/wastecarriers](http://www.bromley.gov.uk/wastecarriers) or call the Environment Agency hotline on 03708 506506. Always obtain a waste transfer note as proof of the transfer of the waste to an authorised person.

## Community Infrastructure Levy (CIL) Information Note

This application is considered to be liable for the Mayor of London's Community Infrastructure Levy (CIL). The CIL is a planning charge levied on net additional floorspace arising from new developments or creation of new dwellings (including through a change of use) in order to fund infrastructure to support development in the local area. The Council acts as collecting authority for the Mayor of London who has a levy to raise money for transport Infrastructure in the London area.

The first step in the CIL process is to complete a CIL Additional Information Requirement Form or Form 5: Notice of Chargeable Development for permitted developments. All the forms underlined can be found at: <http://www.bromley.gov.uk/cil>

The CIL Team can calculate the CIL liability based on the information you provided for the planning application, however we are unable to discount existing floorspace that has been in continuous use without the above forms.

At the same time, Form 1: Assumption of Liability must be completed in order to produce a Liability Notice. This form tells us who is responsible for paying the CIL charge. If this form is not completed within two weeks of the issue of the planning decision notice, CIL liability will default to the landowner or applicant at a cost of £50. You may have already completed the forms above during the application process.

If you wish to apply for charitable or social housing relief then Form 2: Claiming Exemption or Relief should be submitted. If you are a 'self builder' who builds or commissions a home for their own occupation you may apply for exemption using Form 7: Self Build Exemption Claim Form: Part 1 for the entire home or Self Build Annex or Extension Claim Form. **Exemption forms must be submitted before commencement** of the development and will be granted relief upon receiving a Relief Decision Notice. The **Form 7: Self Build Exemption Claim Form Part 2 form must be submitted within six months of completion** or the levy will become payable.

The Council will serve a Liability Notice on the person(s) who have assumed liability to pay. It is the liable party's responsibility to notify the Council when commencement (demolition, digging for foundations and underground services and change of use) has started using Form 6: Commencement Notice. **Late notification of a commencement date will result in penalties such as the removal of eligibility for the self-build exemption, a 20% surcharge**, the removal of the 60 day payment period requiring immediate payment or CIL stop notices.

The Council will issue a Demand Notice to the liable person(s) setting out the total CIL amount payable on commencement of the development and the payment date. Please note the chargeable amount will be indexed linked. This notice will be emailed and/or posted to the liable person(s) via the contact details provided in Form 1: Assumption of Liability.

Our finance contractors will shortly afterwards send an invoice with a paying-in slip and information on payment methods following a Demand Notice. Non-payment and failure to comply with CIL procedures will result in surcharges.

The CIL liability will be registered as a local land charge against the land affected by the planning permission and will be revealed when a property search is made. CIL payment will make the charge on the register fulfilled.

Forms (underlined above) can be found at:

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

For further information or if you have any questions regarding CIL please contact us at [cil@bromley.gov.uk](mailto:cil@bromley.gov.uk) or on 020 8313 4974.
