Name: Brian Fitzsimons

Address: 60c Church Road Crystal Palace Croydon

Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

- Objection

Comment: 1st and 2nd floor frontage on church road is now coming further over shop front, contrary to approved planning permission as existing building 1st & 2nd floor, which aligns with 67 / 69 church road frontage . Also blocking 73 church kitchen window. Finally impacting on my privacy across the road.
