Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

- Objection

Comment: It's not possible to evaluate the impact of this change unless the location (and no of bays) of proposed car club is specified on a drawing. Also is it on the development or is it on the public Church Road? Bromley or Croydon side? Will any more short term parking bays be lost? Without the above information it is not possible to assess the impact on residents. Developer should submit proposed location & number of bays.
