

the Conservation Rooflight®

Suitable for pitched roofs* between 17½ and 65 degrees, the Conservation Rooflight® is the original low profile skylight, combining the highest modern performance standards with an authentic traditional appearance. Favoured by English Heritage, the National Trust and planning / conservation officers, it is available in a wide range of standard sizes.

The Conservation Rooflight® range is CE marked in accordance with EN14351-1:2006+A1:2010.

Please note that the current lead time on the Conservation Rooflight® is 5 working days to site (subject to availability).

*Please note, our Rooflight offer available via our Online Shop is not designed for use in close proximity to coastal areas. For properties that reside within 5km of the coastline, we recommend calling our Customer Services Team on [01993 833 101](tel:01993833101) to discuss an appropriate alternative specification.
