**RE: APPLICATION FOR SHORT TERM PLANNING CONSENT FOR NEW RAILING GATES TO ENCLOSE THE RECESSED EXIT DOORS ON THE SHOULDHAM STREET ELEVATION**

We enclose our Application for Short Term Planning Consent for 3 years, to enclose the recessed Fire Exit Doors from Seymour Leisure centre on the Shouldham Street Elevation, with new Sliding gates formed of Railings.

These new gates are needed to address anti-social behaviour which has been taking place in the doorway recesses. There have been a number of complaints from the local Residents. Copies of letters received from the neighbours in support of the proposed gates are attached.

We enclose the following Drawings and Documents in support of our Application:-

1. Planning/Listed Building Application Form
2. Ordnance Survey Map with the Site outlined in Red
3. CIL Form
4. Design and Access Statement (Rev. A)
5. Historic Building Impact Assessment (Rev. A)
6. Selection of Photographs as Existing
7. Set of Drawings 21027/S-01 & S-02 as Existing and S-03 & S-04 as Proposed
8. Supporting Statement to Planning Application

The Fees of £234.00 will be paid on submission.

Meanwhile we look forward to hearing from you.

Yours faithfully

**Peter A Bryan  
BRYAN PACKMAN MARCEL**
