Subject: Discharge of conditions 13&14 for 18/00888/FUL

Importance: High

Hi,

Please can you accept this email as confirmation to discharge conditions 13&14 for the application 18/00888/FUL. These are for Archaeological reasons and these have been completed for some time now. Teresa O'Conner from Essex has the reports and will reply immediately once this is validated.

I understand how busy you are but if possible could we get this through urgently as we have 2 buyers trying to move in and cannot without these discharged.

Kindest Regards,

Dan Lane
