Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Outline application for new barn style dwelling emulating long, low barns found in the area at 1 Barmer Cottages Fakenham Road Barmer Syderstone Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Although you may have answered NO to the question on the application form which asks whether the proposed use would be particularly vulnerable to the presence of contamination, you are required to complete and submit the Screening Assessment Form, which can be found on the Council's website at www.west-norfolk.gov.uk. Please click on the following to reach the Questionnaire.

https://www.west-norfolk.gov.uk/info/20138/contaminated_land/204/planning_applications_on_contaminated_land

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Joanne Rahman**

Yours faithfully
