Categories: tree

Dear Sir/Madam

I am unable to get onto my original application as the site says it is no longer available for viewing. I hope it therefore acceptable to send you further detail by email (see below). If I need to do this via the application itself, please let me know how I do this.

Tree at: 10 Gloster Drive, Kenilworth

Tree number: 131 T6

Images and sketch attached.

Further information about work required: The tree requires a 30% crown thinning. Additionally, a 2m reduction from the spread of the crown and 3m reduction of the height of the crown is proposed. Currently, due to growth, the tree is within 1m of both houses either side of it.

If you require any further information from me, please don't hesitate to ask. In the meantime, I look forward to hearing from you.

Dear Sir/Madam

Please read the attached letter (which is in .pdf format), which relates to the application at the above site, and respond as necessary. A copy of the application documents can be found by clicking on the link below.

[Link to on-line application documents](#)

Like all organisations, Warwick District Council as The Local Planning Authority has had to alter its working practices under the present conditions. Our staff are now all working from home and we very much endeavour to deliver our normal service and continue to process planning applications.

Regards,

Development Services

Warwick District Council
