**Subject:** FW: Urgent Listed Building Application - Single storey rear residential extension - Waterfield Cottage - Brooke - NR15 1JE

Good Afternoon Philip,

**Urgent Listed Building Application - Single storey rear residential extension - Waterfield Cottage - Brooke - NR15 1JE**

I had been speaking first with Eloise and then Steve on the attached application.

Due to the clients diagnosis, they are looking to progress this application for a single troey rear extension to the Grade II lsted residential dwelling.

The sizes are permitted development but we recognise that as listed property, it needs Listed building Consent.

Therefore as I note Steve Beckett is now away until 07/07/21, would it be okay to forward this to yourself to process until he returns?

I have put the necessary details for your information as requested, including;

- Existing plans/elevations (including Site location Plan)
- Proposed plans/elevations
- Heritage Design statement
- Completed application form

As per my conversation with Steve, on behalf of my client I would be very grateful if this could be progressed, but if you do require any further details in the meantime, please do not hesitate to contact me.

Kind Regards,

Kristian

**Subject:** Urgent Listed Building Application - Single storey rear residential extension - Waterfield Cottage - Brooke - NR15 1JE

Good Afternoon Steve,

**Urgent Listed Building Application - Single storey rear residential extension - Waterfield Cottage - Brooke - NR15 1JE**

Last time we spoke briefly, you very kindly provided me with some advice on this application for our client who has unfortunately been diagnosed with Vascular disease and Alzheimer's disease and as a result, is desperate to get a simple rear single storey extension for new bedroom and wet room facility to the back of their Grade II Listed Cottage underway.

Therefore I have put the necessary details for your information as requested, including;

- Existing plans/elevations (including Site location Plan)
- Proposed plans/elevations
- Heritage Design statement
- Completed application form

Therefore I would be very grateful if this could be progressed as my client is desperate to look towards construction pending the determination.

However if you require any further details in the meantime, please do not hesitate to contact me.

Kind Regards,

Kristian
