8. Provide new insulated floor to habitable area using breathable system

Existing building shown thus.

New work shown thus.

Breathable wall linings to external walls

Works shown thus approved but will not be implemented
 These works were approved under extant planning and listed building application references 89_P0805 and 89_P0806. These works are deemed by the applicant to be extremely harmful to the character and setting of the listed building and, by virtue of the proposed works, including those to the farmhouse, if approved, will not need to be implemented.

Works enclosed thus approved and will be implemented
 These works were approved under extant planning and listed building application references 89_P0805 and 89_P0806 and subsequent application for discharge of planning conditions, conditions 5 and 8 approved by East Devon District Council in letter dated 16th January 2013.

Works enclosed thus, new works for which approval sought as part of this application for planning and listed building consent.
