

TRADITION 8 PLANTHOUSE f

HOME / PRODUCT RANGE / HERITAGE GREENHOUSES / TRADITION 8 PLANTHOUSE

The Tradition Planthouse is based on the Tradition range but designed to be assembled on a single skin brick wall making it ideal for those who prefer a traditional planthouse style, look and feel. This greenhouse is a best seller, appealing to those who prefer the traditional Apex roof. It's an attractive, perfectly formed greenhouse that most would be proud to show off in the garden.

- Over 80 years of manufacturing experience
- Choice of Colours
- Choice of self assembly
