

TREE REPORT

TALL TREES, 33 MAIN STREET, FOTHERINGHAY PE8 5HZ

T1 – JUGLANS REGIA (WALNUT)

DBH: 610mm

CROWN SPREAD (N/E/S/W): 6m 9m 5m 5m

HEIGHT: 16m

T1 (Walnut Tree) is the only tree subject to a protection order (TPO) within the vicinity of the conservatory proposal. The tree has been subject to significant permitted work over the years to reduce its close proximity to the property.

T1 – Walnut Tree

Example of a Tilia Cordata

If the application to the remove the tree is permitted, it is the intention of the applicant to plant replacement trees along the front southern boundary; and suggests a row of Tilia Cordata (Small-Leaved Lime).
