Further to your correspondence on 13th July 21, relating to the incomplete applications (reference above), I am pleased to attach the amended documents as requested.

Our client/the applicant has now decided to apply to remove the tree in question; this now forms part of our application. I attach a new application form to cover this change along with the relevant requirements to the location and block plans.

The other points raised in your correspondence have also been addressed and the amended drawings are attached herewith to accompany the householder and LBC submissions.

Hopefully this covers everything and please do not hesitate to contact me if you have any further queries.

Kind regards,

Belton Park, Londonthorpe Road
