

Boundary Wall	Proposed Extensions
Existing Structure	Existing Drains
Existing Walls to be Removed	Smoke Alarm
Thermal Insulation	Heat Detector
New Walls	Fire Doors - 30mins
Sound Separating Walls	FD30

The drawings are intended for the Local Authority Planning Building Control Department. All dimensions, levels, areas, positions and locations of proposed work should be checked on site. The Contractor is responsible for ensuring compliance with all CDM Regulations, and appropriate Health & Safety on the premises. The Designer must obtain any necessary Party Wall Agreements, prior to beginning of the works on site.
