

Ecosystem Services Statement

No.14 Markall Close,
Cheriton,
Alresford,
Hampshire,
SO24 0QF

Ecosystem services actions:-

1/ Rain water downpipes are to have a water butt collection at the base for watering the garden. This is in relation to Policy SD2 criterion A, C & D. New water butts will be positioned on the Northern wall of the proposed building to connect into the front and rear guttering along the East & West boundary.
