Commenter Type: neighbour letter

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Both myself and my husband strongly oppose this application, our concerns is the over elevation on this property as we are aware the owner of our neighbouring property has placed 4/5 applications for extending this property for the purpose of renting out the additional rooms to multiple occupants. We are also very concerned about the parking issues this would cause as there is already limited parking in Keyes Road. We also feel the proposed extension would not be in the style and keeping of the existing properties in Keyes Road and would therefore ask for our concerns to be seriously considered when making a decision.
