Dear Customer,

Thank you for your safe-dig enquiry with Northern Powergrid. We are pleased to confirm that your plan is attached.

If you are a returning customer, you will notice the enhancements to the format of the safe-dig plan. This has now been rolled out to Northern Powergrid employees, this has allowed a new Safedig2 web page to be developed and launched to our existing users during March and early April.

As a user of our back office facility we would like to make you aware of the selfserv service which can provide you a PDF plan within a very short period of time. To gain access to the new service please follow the link below to register and access the service.
