Dear Sandra,

Thank you for the invalid letter relating to the above application. I have responded to the points raised as follows:-

- 1 - CIL, I have attached additional Information Requirement Form 1.
- 2 - Habitats Regulations Monitoring and Mitigation Contribution, I have arranged for the applicant to contact you and pay the additional fee of £55.00
- 3 - Roof plan, this is shown on revised drawing 11A as attached.
- 4 & 5 - I have drawn a section on drawing 11A showing a section through the proposed house together with the profile of the site showing the existing and proposed levels.

I have also attached a revised D&A statement which has been revised to show the revised drawing number 11A.

Please do contact me if you need anything more.

Yours sincerely
