Invalid Application

Dear Mr Armitage

Proposal: Placing a fence inside the already existing wall at the front of my house and have a roller fence gate at the entrance to the drive
Location: 28 The Crescent Chorley PR7 1PX
Reference: 21/00822/FULHH

Further to my recent correspondence, I have just noted that the submitted Location Plan does not include a red edge to the property curtilage. This is a requirement for all planning applications.

I would therefore be grateful if you could submit a Red Line Location Plan at your earliest convenience and apologise that this was omitted from the previous letter.
