planning policy and has Greenbelt, officers advi site to two storeys, how heights of this frontage	was sought in August 2020. Officers advised on the basis of the information the potential to be granted planning permission and that the principle of the sed that the proposal would have an impact on the openness of the Green ever the impact on the wider openness of the Green Belt can be reduced and that the plan suggests the removal of the existing outbuildings which sing development at the front of the site.	the development is likely to be ac n Belt through increasing the scal by keeping within the established	ceptable. In relation to the e of the development on the building lines and building
24. Authority Emp	loyee/Member		
With respect to the Au (a) a member of staff (b) an elected member	thority, is the applicant and/or agent one of the following:		

(c) related to a member (d) related to an elected					
It is an important princip	ole of decision-making that the process is open and trans	sparent.		No No	
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.					
Do any of the above sta	atements apply?
