Thank you for your application and fee of £116 which I received on 28th June 2021.

We endeavour to determine these applications within 8 weeks, however external consultations and/or site visits may need to be made depending on the nature of the conditions, if you have not heard from us within 6 weeks from the date of this letter, please do not hesitate to contact me for an update.

As a result of an increased number of application submissions and delays at validation stage Planning Officers are currently dealing with a significantly higher volume of applications. This may mean that your application takes longer than the normal 8 week period to be decided.

Planning Officers are also receiving a significant volume of correspondence and contact requesting progress updates on applications. To ensure that your case officer is able to focus their attention on the assessment of your application, please check the website for updates on progress rather than contacting the case officer directly to request this. In the event that further information is needed to allow your application to be considered, the case officer will contact you or your agent directly to request this.

This enquiry is being dealt with by David Bord who can be contacted by email planning@bromley.gov.uk

Yours faithfully

Planning Support Team
