4. What Are You Applying For?

Based on the type of work proposed and the location and protected status of the trees involved, there are various details and supporting information that will need to be supplied in order for the Local Planning Authority to determine the application.

Are you seeking consent for works to tree(s) subject to a Tree Preservation Order? ☒ Yes ☐ No

Do you know the Tree Preservation Order reference number(s) ☐ Yes ☒ No

For works to trees covered by a TPO

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application MUST be accompanied by the necessary evidence to support your proposals (see guidance notes for further details).

1. Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall ☐ Yes ☒ No

2. Alleged damage to property - e.g. subsidence or damage to drains or drives. ☐ Yes ☒ No

Are you wishing to carry out works to tree(s) in a conservation area? ☐ Yes ☒ No

Documents and plans (for any tree)

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')? ☒ Yes ☐ No

If Yes, please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application

The tree, a Sycamore, is situated in the right rear corner of the property named Wayside situated in Burrows Lane. Wayside is owned by Mrs Platt who is aware of this application. The land is actually owned by Pilkingtons but is used by Mrs Platt.

The tree has been inspected by tree surgeon Phil Walton who has advised that he would be happy to discuss any concerns you may have or answer any questions. His telephone number is 07515 887427. His advice today was that the tree requires a crown lift up to 5 metres from over the property. The tree has grown towards the property 46 New Road and is significantly reducing the light within the house.

5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:
- Tree species
- The number used on the sketch plan); and
- A description of the proposed works.

5. Identification of Tree(s) and Description of Works

Where trees are protected by a Tree Preservation Order you must also provide:
- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

The tree is a sycamore.
Phil Walton (tree surgeon) had advised that the tree requires a crown lift up to 5 metres from over the property 46 New Road. The trees branches are now reaching the house and significantly reduce the light within the house.

6. Tree Ownership

Is the applicant the owner of the tree(s)? ☐ Yes ☒ No

If No, please provide the address of the owner (if known and if different from the tree location):

It is an important principle of decision-making that the process is open and transparent. ☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
