4. Description of	the Proposal				
		of proposals to alter, extend or demolish the listed building(s).			
If you are applying for below.	Technical Details Consent on a site that has been grante	d Permission In Principle, please include the relevant details in the description			
There are no physical The flat at no 18 is adjuto residential in 2009 a The landlord for 16 chawould like use the property at 18 hardners. The daytime operation office space to meet claim the early evening frorivate "closed shop" emixing, and these have	nd has a kitchen and bathroom adjoining the main groun anged last year and is now the same (M.J.M) for both procerty at 18 to help recoup some of the loss from this past as a cellar, so we will be using that for wine storage, freeir a 9am-5pm for the ground floor would be office space to reients or hold confidential calls, zoom without the distraction of pm to (approximately) 9pm we plan to use the space wents in Winyl (as restrictions allowed) as we can't use of the been very popular and successful.	16 South Street Manningtree CO11 1BB. Number 18 was converted from retail d floor plus a basement "cellar" space. perties and has offered to us as an opportunity to expand the business. We 18 months of covid restrictions. g up floor space at 16. ent. With many people working from home, there is a need for a professional			
Has the development of	or work already been started without consent?				
5. Listed Building What is the grading of Don't know Grade I Grade II* Grade II Is it an ecclesiastical b	the listed building (as stated in the list of Buildings of Spe	cial Architectural or Historical Interest)?			
		DOTT MIOW TOS THO			
6. Demolition of L	isted Building				
Does the proposal incl	ude the partial or total demolition of a listed building?				
7. Immunity from	Listing				
Has a Certificate of Im	munity from Listing been sought in respect of this building	y?			
8. Listed Building	Alterations				
_	s include alterations to a listed building?				

9. Materials						
Does the proposed development require any materials to be used?				No		
10. Site Area						
What is the measurement (numeric characters on		12.00				
Unit	Sq. metres					
11. Existing Use						
Please describe the cui	rrent use of the site					
Residential - listed as a	bedsit with basement,	kitchen and bathroom street acc	ess.			
Is the site currently vac	ant?			Yes	ℚ No	
If Yes, please describe	the last use of the site					
Residential						
When did this use end (if known)? DD/MM/YYYY						
Does the proposal inv	olve any of the followi	ing? If Yes, you will need to su	bmit an appropriate contamination asse	essment	with yo	our application.
Land which is known to	be contaminated			Yes	No	
Land where contaminat	tion is suspected for all	or part of the site			No	
A proposed use that wo	ould be particularly vuln	erable to the presence of contar	nination		No	
12. Pedestrian and	d Vehicle Access,	Roads and Rights of Wa	ау			
Is a new or altered vehicular access proposed to or from the public highway?						
Is a new or altered ped	estrian access propose	d to or from the public highway?			No	
Are there any new public roads to be provided within the site?				No		
Are there any new public rights of way to be provided within or adjacent to the site?				No		
Do the proposals require any diversions/extinguishments and/or creation of rights of way?				No		
13. Vehicle Parkin	g					
Does the site have any spaces?	existing vehicle/cycle p	earking spaces or will the propose	ed development add/remove any parking		No	
14. Foul Sewage						
Please state how foul s	ewage is to be dispose	d of:				
✓ Mains Sewer Septic Tank						
Package Treatment Cess Pit	plant					
Other						
Unknown						
Are you proposing to co	onnect to the existing dr	rainage system?		ℚ Yes	No	Unknown

15. Assessment of Flood Risk		
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.)		No
If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.		
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?	Yes	No
Will the proposal increase the flood risk elsewhere?		No
How will surface water be disposed of?		
Sustainable drainage system		
Existing water course		
Soakaway		
✓ Main sewer		
☐ Pond/lake		
16. Trees and Hedges		
Are there trees or hedges on the proposed development site?	Yes	No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?	○ Yes	No No
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local p required, this and the accompanying plan should be submitted alongside your application. Your local planning website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, de Recommendations'.	authority s	should make clear on its

18. Waste Storage and Collection

to do so with any waste generated from the new proposed activities at 18 via internal separated bins

Does this proposal involve the carrying out of industrial or commercial activities and processes?

23. Industrial or Commercial Processes and Machinery	
Is the proposal for a waste management development?	
f this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authorit should make it clear what information it requires on its website	ł y
24. Hazardous Substances	
Does the proposal involve the use or storage of any hazardous substances?	
25. Trade Effluent	
Does the proposal involve the need to dispose of trade effluents or trade waste?	
OC Cita Viait	
26. Site Visit	
Can the site be seen from a public road, public footpath, bridleway or other public land?	
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? The agent The applicant Other person	
27. Pre-application Advice	
Has assistance or prior advice been sought from the local authority about this application?	
f Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):	
Officer name:	
Title	
First name	
Surname	
Reference	
Date (Must be pre-application submission)	
29/06/2021	
Details of the pre-application advice received	
I was advised on which class to include in the application to move use from C3 to E and to mention the business as adjoining and associated use. I also calle planning team on 30th June at 11.10 to check elevation plans were not required as the forms section said the required forms were met with DAS, location and site plans uploaded	
28. Authority Employee/Member	
With respect to the Authority, is the applicant and/or agent one of the following: a) a member of staff b) an elected member c) related to a member of staff d) related to an elected member	
It is an important principle of decision-making that the process is open and transparent.	
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.	
Do any of the above statements apply?	
If yes, please provide details of their name, role, and how they are related:
