Dear Sir,

I had always understood that the Avenues area in Frinton did not permit use of a house for business purposes. Sadly if this rule is indeed the case, then lack of control means it is no longer being respected.

Various properties are being let out for holidays or other stays, there is a children's nursery, a care home, an appalling nursery garden (the house is a ruin) and now people are using up the once famous gardens to build small 'fill-in' houses, usually to let out.

The latest application is for a bungalow at 65 Second Avenue. Firstly I would comment that I did not think a bungalow was permitted in this part of the avenues, and in any case, for the reasons already mentioned, I wish to register my very strong objection to this proposal.

Yours faithfully,

C. J. Ercolani (Miss)
