If dimensions are not to be scaled, this drawing, or dimensions or details on these drawings conflict with other drawing information, the contractor shall be responsible for determining where the drawing relates to existing buildings or completed construction. The contractor is responsible for checking that there are no conflicts between the drawings and the existing conditions. In the event of discrepancies between this drawing and dimensions, in the event of discrepancies between this drawing and subcontractor's working drawings for relevant building components, the subcontractor's drawing shall take precedence. Any conflicts arising out of information as noted above must be reported immediately to the Architectural Technicians. This drawing is the property of McCarthy Building Services, Inc. and shall not be reproduced in part or full without written permission. All dimensions are in millimeters unless otherwise stated.
