Based on the information provided in the statement of Purpose the used of the premises to accommodate two young people with support would not constitute development for which planning permission is required. The nearest thing to an exemption certificate would be for you to make an application for a Certificate of Lawful Proposed Development. The application forms are available either on the Planning Portal or through the Planning and Regeneration pages of the City Council's website.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
