4. Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations? Yes No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Erection of a removable home office pod in the garden of 5 Chalk Cliff Road, BN2 8GH (formally plot 28 Seaview Meadows). The structure will be portable (Booths Garden Studio) and used as a home office/exercise room - no accommodation/sleeping). The building will be erected using no concrete base just supporting pads and will face south west in the upper right (north east) section of the garden. Expected size to be proportional to the garden (far less than 50%) and approximately 4mx 3m with glass windows and door. Small external step will be required given the sloping nature of the site.

Does the proposal consist of, or include, a change of use of the land or building(s)? Yes No

Has the proposal been started? Yes No

5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

As a condition of the planning for the site there was an amendment to the permitted development rights allowed. However, the rights removed related to extensions, alterations etc to the dwelling houses but does not apply to the installation of an outbuilding in the rear garden that complies with the limitations outlined for a class E building of this type.
I previously applied before the property was finished and was informed that until the property was inhabited it did not have PD rights. I have now purchased the property and moved in.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted.
