## 5. Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Proposed alterations to existing dwelling are lawful because they will improve the efficiency of the dwelling. The replacement windows and door will be of a similar appearance to those currently in place. All changes will be to the ground floor only, and none look out to any neighbors. There will be no increase to the internal dimensions of the dwelling.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

1. House elevation detailing current and proposed plans.
2. Location map.
3. Proposed dimensions.

Select the use class that relates to the existing or last use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

### Information about the proposed use(s)

## 5. Grounds for Application

C3 - Dwellinghouses

Is the proposed operation or use

Permanent  Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The changes proposed will greatly improve the thermal efficiency and lighting of the dwelling. The current wooden doors and windows are draughty, requiring draft excluders, tape and door curtains to keep out the wind and cold air. Electric lighting is in almost constant use in the kitchen/dining/hall area as there is insufficient natural light.

## 6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes  No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

## 7. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

## 8. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

## 9. Interest in the Land

 Lessee
